# 2024-2025 Timeline for Lindale ISD Education Foundation's Grants For Great Ideas

- Friday, January 31, 2025 – If you were awarded a grant in spring of 2024, your Project Evaluation Form provided by the Foundation office is due by 4:30 p.m.
- Monday, February 3, 2025 – Grants for Great Ideas Applications due to the Foundation Office by 4:30 p.m.

## GRANTS FOR GREAT IDEAS PROGRAM

**PURPOSE:** The Grants for Great Ideas Program is designed to encourage, facilitate, recognize and reward innovative and creative instructional approaches for the accomplishment of program objectives.

**PERSONS ELIGIBLE TO APPLY FOR GRANTS:** Individuals or teams of individuals employed by the Lindale ISD who are involved in the instruction of students or related support services benefiting students. Individual applicants must be a certified teacher. Team applicants must include at least one certified teacher.

**ELIGIBLE PROPOSALS:** Instructional approaches or projects designed to begin during the 2025-2026 school year which meet the selection criteria are eligible. Grants may fund innovative or enriching classroom materials or any activity or material which supports higher levels of student academic achievement. One funding cycle will occur in the spring. **All faculty members awarded a grant during Spring 2024, must have submitted their project evaluation form no later than the last Friday in January in order to be eligible.** Failure to submit this evaluation by the due date will result in ALL primary participants on the grant being ineligible to apply for grant funding the following semester and until such time as the evaluation has been received.

**AWARD OF FUNDS:** Grants will be awarded to individuals, campus teams, departments or grade-level initiated programs or projects. The number of awards will depend on funds available from the Lindale ISD Education Foundation. Our typical award year includes a total grant amount of \$35k. There is no individual or team award limit for funds. We have a total sum to give and we encourage you to apply for any innovative or enriching ideas that fall within our total funding range for the school year.

**DUE DATE:** Applications are due no later than **4:30 p.m. on Monday, February 3, 2025** Questions may be directed to Courtney Sanguinetti, Executive Director, (903) 881-4001 ext. 1015, [sanguinetticd@lisdeagles.net](mailto:sanguinetticd@lisdeagles.net)

## **SELECTION CRITERIA:**

- ❖ The degree to which the proposal represents a creative or innovative approach to the accomplishment of objectives. (It should address a new project as opposed to one accomplished or under way.)
- ❖ The degree to which the proposal is clear and logical, including:
  - Purpose and objectives are specific and feasible;
  - Details of instructional activities/procedures are fully outlined;
  - Evaluation is aligned to the stated objectives and is measurable; (sound evaluation procedures are incorporated in the proposal)
  - Summary is clearly stated in 100 words or less;
  - Need and rationale for the project is identifiable and relates to curriculum objectives.
- ❖ The degree to which student academic performance is emphasized and the project/program improves student learning.
- ❖ The degree to which the proposal addresses priority campus or district goals.
- ❖ The degree to which the budget supports the project.
- ❖ Grant applicants must submit at least 3 price quotes from vendors in which you plan to purchase your materials from.
  
- ❖ Grant applicants must type out the application. No handwritten applications will be accepted.

## **HERE ARE SOME SUGGESTIONS THAT MAY HELP:**

- ❖ Projects should directly involve students as fully as possible. For example, a film developed for classroom use should ideally be written and produced by students.
- ❖ Grants may be used to compensate experts or resource speakers who work with students, but should not be used to pay teachers, staff or substitutes.
- ❖ Funds may be used to purchase equipment. Equipment should be only one component of a well-planned program/project integrated with other curriculum materials and activities.
- ❖ Generally, transportation costs and consumables (such as but not limited to food, t-shirts, batteries, etc.) are NOT funded.
- ❖ Proposals that incorporate matching funds or community resources should be considered favorably. (Students or PTAs might raise matching funds for example. Community organizations could donate needed equipment, services or free admissions to events. Outside contributions generally indicate a commitment to the project and they enhance the effectiveness of the grant award.)
- ❖ Avoid using acronyms and education jargon.

## **SELECTION PROCESS:**

- ❖ Application forms may be obtained at the Lindale ISD Education Foundation office, campus office or through the web page: <http://www.lindaleisd.foundation.net/> under Educator Grants.
- ❖ Teacher initiated applications must be reviewed by and signed by the principal and by the director of technology (Randall Anderson) if technology items are to be purchased.
- ❖ Signed applications are due to Courtney Sanguinetti, Executive Director of the Lindale ISD Education Foundation, no later than 4:30 p.m. on Monday, February 3, 2025
- ❖ Applications will be reviewed and commented on by the Grant Review Committee made up of the following members:
  - A. Minimum of Six Foundation directors
  - B. LISD Directors of Curriculum
  - C. Director of Technology
  - D. LISD Superintendent
  - E. A Secondary Teacher as appointed by the Chairman of the Grant Review Committee
  - F. An Elementary Teacher as appointed by the Chairman of the Grant Review Committee

- ❖ For each grant application submitted, the committee shall make one of the following recommendations: (a) approval; (b) approval with conditions and/or modifications; and (c) disapproval with suggestions for resubmission; or (d) disapproval.
- ❖ If recommended for approval, the application is presented to the Board of Directors of the Foundation in summary form for review and formal approval.
- ❖ Applicants will be notified of decisions by the date specified by the committee.
